PRESS RELEASE

## FOR IMMEDIATE RELEASE

**With the release of his 10th book, *Astropolitics 3.0: Reality Check*, Frank, delivers another sharp and insightful analysis in the acclaimed “Reality Check” series, which includes successful releases: *A.I. 2.0*, *Earth Polycrisis*, *Hydrogen 3.0*, and *Net Zero*.**

Space is no longer the exclusive domain of scientific discovery. In *Astropolitics 3.0: Reality Check*, the author takes a hard look at the critical developments defining humanity's future beyond Earth

He uncovers the high-stakes power struggle among global superpowers, each vying for control in this new geopolitical battleground.

**The book structured into five pivotal chapters explores the dynamics of legal frameworks, technological advancements, and security concerns that now shape the field of astropolitics.**

***State of the Race*:** Assesses the leading players in the space race and their current standings.

***State of Play*:** Examines the strategies and technologies fueling this competition.

***State of Affairs*:** Investigates the legal, financial, and commercial dimensions of space activities.

***State of Battle*:** Analyzes the militarization of space and the emerging threats.

***Reality Check*:** Offers an unfiltered, unbiased evaluation of the current state and future trajectory of astropolitics.

**A Call to Rethink Space Strategy, as tensions escalate between the United States and China, with India entering the fray,**

***Astropolitics 3.0: Reality Check* offers an impartial, factual and comprehensive outlook - challenging policymakers and stakeholders to urgently reconsider their approach.**

The book argues for a strategic vision that deftly balances competition with cooperation, urging nations to find common ground in shared objectives like space debris mitigation and planetary defense. This visionary work could not be more timely.
